EXCLUSIVE ROOFTOP TERRACE  
PRINCIPAUTE DE MONACO

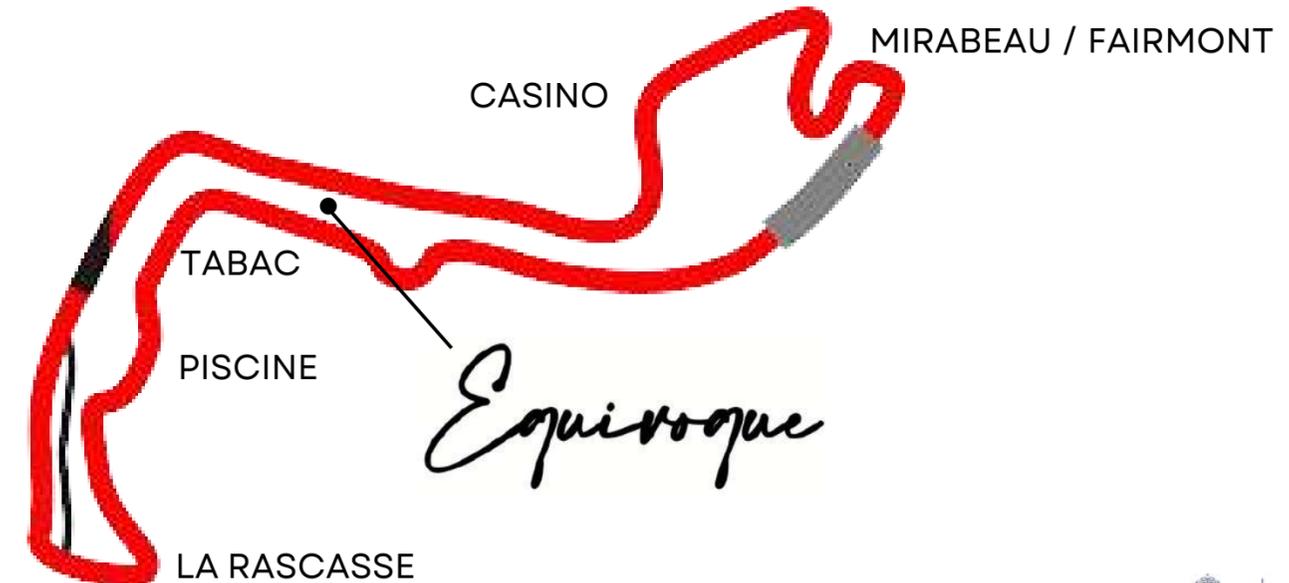

# LOCATION

Equivoque Terrace is **located** on top of Hotel Miramar, **in the middle of the circuit**; during two different phases of the race, the cars pass on either side of it.

On one side, just a **few meters** from the terrace, the **cars** speed up toward Casino Square, while on the other side, they head into the port, just before the swimming pool, at a much slower pace.

In this **super strategic and convenient position**, you can relax in total privacy, right in the heart of the action of the **Monaco Grand Prix**.
