

WELCOME TO ÉQUIVOQUE ROOFTOP BAR

Équivoque Rooftop Bar announces the first World: "COCKTAIL MENU PERFUME"

Produced by the best master perfumers in the world of Grasse, on the French Riviera. This country is the birthplace of the most important and well-known master perfumers in the world.

We have created a collaboration with Maison Honoré® who have realized according to our objectives, four Diamond fragrances that reflect the cocktails that the guest will taste.

The experience is born similar to the experience inside a perfumery, in which the guest, once he has tried the fragrances, will choose one of these and finally taste the cocktail inspired by the perfume.

IT'S NOT OVER HERE!

we also have three prestige fragrances for the guest who wants to go beyond all limits!

“COCKTAIL PERFUME EXPERIENCE” TRANSFORMATION

2022 - 1st Edition

For this inaugural version, we have focused entirely on artisanal excellence, concentrating not on the external packaging, but on the soul of the fragrance: the perfume bottle. In this exclusive edition, the bottles truly take center stage, capturing both the gaze and the essence of those who behold them. This is the version that S.A.S. Prince Albert of Monaco had the pleasure of admiring for the first time, during the global launch of this concept.

2023 - 2nd Edition

In the exclusive 2022 edition, Maison Honoré guides us on an unprecedented sensory journey. Our focus has been on the pure essence of wood – an ancient symbol of luxury and sophistication – transforming it into an icon of contemporary elegance. Each note of our fragrances, rigorously 100% organic, celebrates this deep connection with the planet, making each scent a hymn to purity.

2024 - 3th Edition

In this latest edition, we have elevated the concept of elegance to new heights, embracing refined materials and a minimalist design that embodies modernity in every detail. Our dedication to perfection has led us to a bold transformation: we have moved from the original 6 cocktails to just 4 exclusive masterpieces.

Each edition is crafted in collaboration with Maison Honoré, and partners who journey with us to enhance not only the aesthetic appeal of the box but also to elevate the prestige of this concept, unique in the world.
